Our prayers are asked for: those affected by the floods in Germany, Belgium and the Netherlands. Especially for the those who have died and those who have lost their homes.

For those who have died: John Hilton, Ita Mcleavey, Fr Eddie Brady and for all whose anniversaries occur at this time. May they share in the peace of the Risen Christ.

We welcome into our community *Olivia* who will be baptised this afternoon. We wish her and her parents many blessings at the beginning of her journey with the Lord.

Update Letter

We have received two documents from the Conference of Bishops. Both concern the celebration of mass as we exit the period of restrictions. The first document is - *Sunday Is Our Day* – this is an encouragement to those who can, to return to the Sunday mass physically. It is hoped that all Catholics who can will be able to do so by the first Sunday of Advent. The second document is *Guidance Step 4* – this guidance helps us to implement the new lifting of restrictions in our churches. I will discuss this guidance with other clergy as to how to implement it best for our needs.

From the 1st August 2021

- We will resume choir and congregational singing at the Bodmin 10.30am mass. (n.b. wearing face masks)
- We will be livestreaming the 9.00am mass only.
- We will resume Sunday Mass at Tintagel at 5.30pm

We have all got to be patient with each other and especially with the priests as we try to implement what is best for our worship. Until further notice nothing changes re: Holy Communion, wearing of masks and hand sanitising.

Watch this space.....

Fr Ciarán

Congratulations to *Monsignor 'Fr Keith' Mitchell* who will be celebrating his Silver Jubilee on Wednesday 21st July. We wish him every blessing for his special day.

Cancel the Debt

This year, the UK will host the largest gathering of world leaders ever to take place on British soil: the 'COP26' Climate talks in Glasgow in November. As Prime Minister, Boris Johnson must push world leaders to show the ambition we need to keep temperature rises below the disastrous 1.5 degree threshold. This means that all countries must play their part. With the eyes of the world on the UK,

we **must** urge the Prime Minister to make sure communities hardest hit by the climate emergency are listened to at COP26. Next weekend there will be petition cards available at the back of the church for you to sign or please sign the CAFOD petition online to add your support.

There is a second petition online to demand large corporations such as HSBC, BlackRock, UBS and JP Morgan cancel the debt of some of the world's poorest countries.

It's not acceptable that countries have to choose between saving lives or repaying global corporations during the pandemic.

CATHOLIC BISHOPS' CONFERENCE OF ENGLAND AND WALES

Statement from the Catholic Bishops of England

Sunday – it is our Day

On 19th July, the current legislative powers which assist the mitigations against the covid-19 virus transmission will be rescinded by HM Government. Nevertheless, there will be an encouragement to personal and corporate responsibility in this area; as the Prime Minister said in his most recent statement "The pandemic is not over." Even without this legislation in place, the Church in England and Wales will be adopting a cautious approach to capacity and activity within our buildings, especially at corporate acts of worship.

We are mindful of the certain fact that the Covid-19 virus is still circulating in society. Vaccines provide genuine protection against the worst effects of the virus, yet we recognise the legitimate fear on the part of some who otherwise desire to gather for Holy Mass. It is our continuing judgement, therefore, that it is not possible at the present time for all of the faithful to attend Mass on a Sunday thus fulfilling their duty to God.

It is hoped that it will be possible for all Catholics in England and Wales to fulfil this most important Church precept, that of the Sunday Obligation, by the First Sunday in Advent 2021. In the meantime, all Catholics are asked to do their best to participate in the celebration of the weekly Sunday Mass and to reflect deeply on the centrality of Sunday worship in the life of the Church.

In April, following our Plenary Assembly, we offered a reflection on the experience of the extraordinary long months of the pandemic. It was titled The Day of the Lord. We also began to look at the way forward. We spoke about the important invitation to restore the Sunday Mass to its rightful centrality in our lives. We asked for a rekindling in our hearts of a yearning for the Real Presence of the Lord in the Eucharist, as our response to the total, sacrificial love that Jesus has for us. We said: "The Eucharist should be the cause of our deepest joy, our highest manner of offering thanks to God and for seeking his mercy and love. We need to make it the foundation stone of our lives."

May this continue to be our striving during these coming months as we journey back to the full celebration of our Sunday Mass and our renewed observance of The Day of the Lord.
